Wake Up.

Some people in Farmville are so quiet of spirit that they remind us of "the person who believes in letting the municipality or the ship of state go to the bow-wows rather than agitate is like a motorist who was so afraid he might startle an old gentleman by honking that he ran him down and killed him."

Wake up, brothers, and let's do things.

There is more Catarrh in this section of the country than all other diseases put together and until the last few years was supposed to be incurable.

For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surface of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, 75c.
